Kentucky Assistive Technology Loan Corporation

Providing Financial Loans for
Assistive Technology

Operated in partnership with
Fifth Third Bank, Inc.

What You Need To Know ...

WHO IS ELIGIBLE?

Any individual who has a permanent disability, or is a parent or legal guardian of an individual with a disability, who has been a resident of Kentucky for at least six months and who has the ability to repay the loan may apply.

A nonprofit organization that provides assistive technology to individuals with disabilities may also apply if it can demonstrate how the assistive technology will be used for potential customers.

WHAT CAN BE PURCHASED WITH THE LOAN?

Assistive Technology may include, but is not limited to:

- Vehicles and Modifications
- Computers and Adaptations
- Mobility Devices (Wheelchairs, Scooters and Prostheses)
- Augmentative Communication Devices
- Communication Devices
- Hearing Aids
- Environmental Control Units
- Braille Equipment
- Vision Aids
- Home Modifications

WHAT AMOUNT CAN BE BORROWED?

The minimum amount you can borrow is \$500 and the maximum amount is \$25,000, with the exception of home modifications, which has a maximum of \$15,000, and vehicles with modifications, which has a maximum of \$50,000.

WHAT IS THE LENGTH OF A LOAN?

The length of the loan depends on the life expectancy of the equipment.

CAN I QUALIFY IF I AM ON A FIXED OR LIMITED INCOME?

KATLC is designed to assist individuals who would not qualify under traditional loan programs. All sources of income will be considered the same as employment income.

WILL EVERYONE BE ABLE TO GET A LOAN?

No. The program will look at your income compared to current debt, stability in residence, employment and credit history. Some applicants will be declined, but the program's criteria are less stringent than those of a bank and will enable many individuals who would typically be turned down for bank loans to receive funding.

HOW ARE LOAN DECISIONS MADE?

KATLC initially determines eligibility based on disability and assistive technology. It then reviews financial information provided by the bank before deciding whether to approve the loan or not. Individuals will be notified within four to five days whether the loan has been approved or denied.
