Assistive Technology Devices

For the ninth straight year, hearing aids were the most requested assistive technology devices in state fiscal year 2019. Vehicles with modifications were the second most requested assistive technology devices.

Below is a breakdown of the approved assistive technology devices:

Types of Assistive Technology	# of Approved Devices	% of Loans
Hearing Aids	27	79%
Vehicles with Modifications	6	18%
Vision Aids	1	3%
Total	34	100%

KATLC extended the expired agreement for three months (September 30, 2018) with its lending partner Fifth Third Bank, which established the interest rate as prime plus 1.25%. In September 2018, KATLC entered into a two-year agreement with its lending partner Fifth Third Bank, which established the interest rate as prime plus 1.00%. During the 2019 state fiscal year, the interest rates were 6.00% (July), 6.25% (August to March) and 6.50% (April to June). The agreement with Fifth Third Bank expires June 30, 2020.

KATLC participated in several exhibits across the Commonwealth representing a diversity of disability groups. KATLC staff also provided presentations on the program to individuals with disabilities and service providers throughout the year.
